

2021 Parent Payment Charges – FOUR TO SIX

Dear Parents and Guardians,

Magpie Primary School is looking forward to another great year of teaching and learning and would like to advise you of our parent payment arrangements for 2021.

Please find the list of essential, optional and voluntary payments for 2021 below. Instruction is provided free at Government Schools in Victoria, this has therefore not been included as a parent payment.

As a school, we have made every effort to keep the cost and number of items purchased to a minimum. We also try to ensure that the costs are affordable for all parents. If you have difficulty making payments, please contact our Business Manager, Sharon Liversidge to discuss supports available.

Payments are welcomed before the end of the school year, however, are not required until the 28th of January (first day of Term 1, 2021).

Please note that additional school charges may arise throughout the year and will be communicated with you accordingly.

Please return this form to the office when payment has been made.

Many thanks,

Penny Ellis
Principal
