

2022 Parent Payment Charges – PREP - THREE

Dear Parents and Guardians,

Magpie Primary School is looking forward to another great year of teaching and learning and would like to advise you of our parent payment arrangements for 2022.

Please find the list of Essential Items, Optional Items and Voluntary Contributions for 2022 below. Instruction is provided free at Government Schools in Victoria, this has therefore not been included as a parent payment.

Payments for Essential Items have been made voluntary by the Victorian Government for 2022, however, we appreciate your support by paying for this, to ensure we can provide the best possible opportunities for our students.

As a school, we have made every effort to keep the cost and number of items purchased to a minimum. We also try to ensure that the costs are affordable for all parents and appreciate any contribution you are able to make.

Please note that additional school charges may arise throughout the year and will be communicated with you accordingly.

We want to thank you for all your support, whether that's through payments, fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Please return this form to the office along with payment.

Many thanks,

Penny Ellis
Principal
